

POSITION: Industrial Security Consultant
POSITION TYPE: Salary Exempt
HOURS: Business Hours
LOCATION: Remote (CONUS)

SUMMARY

FSO PROS® is a national provider of FSO Program Management and Industrial Security consulting services, supporting some of the nation's fastest growing Federal contractors. Our industrial security consultants serve as alternate facility security officers or advisors to our clients. We are seeking professionals with experience in federal contracting, who are pursuing a productive and rewarding consulting opportunity.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Direct POC to Clients as consulting lead, providing compliance support and personnel security for the FCL.
- Effective communication with the client's management team, employees, and candidates.
- The types of services are dependent on each scope of work. Some examples are as follows:
 - Provide guidance and policy support in accordance with the NISPOM Rule 32 CFR Part 117.
 - Participate in self-inspections and audits, as directed.
 - Personnel Security
 - § Administer DISS/NBIS, NISS, ACCS and other security related systems.
 - § Conduct security clearance inquiries, briefings, in-processing, and out-processing of personnel.
 - § Run personnel reports, reconcile PSM, and process eAPPs.
 - § Process visit requests.
 - § Launch incident investigations, document, and submit incident reports.
 - § Develop and provide security briefings and documents.
 - § Administer annual refresher briefings, NATO, COMSEC, etc.
- Keep up to date on all new DoD-related trainings and follow protocols pertaining to new regulations within the NISP.

QUALIFICATION/REQUIREMENTS

- Strong oral and written communication skills.
- Strong computer skills & proficiency within Microsoft Office suite.
- Friendly, team player with a professional demeanor and the ability to remain calm in stressful situations.
- Ability to work independently, in a remote environment, support multiple customers, and take initiative to complete projects and tasks accurately and timely. Highly organized and detail-oriented with a strong sense of urgency.
- Bachelor's degree with 5+ years in a professional office environment.
- Minimum of 5 years' experience in federal contracting and industrial security, specifically as an FSO or SSO.
- Completion of all relevant *CDSE* training certificates.
- Top Secret Clearance eligibility.

PHYSICAL DEMANDS AND WORK ENVIRONMENT

- This position requires long periods performing tasks on a computer as well as calls/virtual meetings.
- This job function is performed in a remote setting.
- The noise level in the work environment should be fairly quiet and free of distractions.
- Limited travel to customer sites and conferences, typically on a quarterly basis.

BENEFITS

- Competitive Salary
- Commission & Incentive Plan
- Unlimited Paid Time Off
- United Healthcare Medical Insurance
- Dental & Vision Insurance available
- Flexible Spending Account
- 401(k) Retirement Plan
- NCMS Annual Membership
